Chapter 11

At "sugar" canes

Mac drives to the
candy shop to drop
off the chocolate that
is on his truck.

His name was Alfred
Cane Henry thought he
was a nice guy because
how his eyes looked and
that smile on his face.

The first part of the cure
is to not get something
you want every time you
want it Henry followed
what he said.

Alfred Cane said I once knew a
boy just like you and he had those
same spots. That boy's name was
Alfred Cane. The cure was vanilla
pills. So Henry ate them and got
better.
